

Weather Forecast Monday 20 November 2017

Next forecast time at 10.00 am.

Synoptic Situation at 07.00 A.M

The rather strong high-pressure system covers the Northeast of Thailand and the South China Sea. It will further extend to the North and the upper Central. Outbreaks of thundershower spells will be likely at the beginning of the period. People stay safe and keep healthy due to the changeable weather conditions.

Forecast form 10.00 am. To day to 10.00 am. Tomorrow
