

# Daily Weather Forecast On January 18, 2018

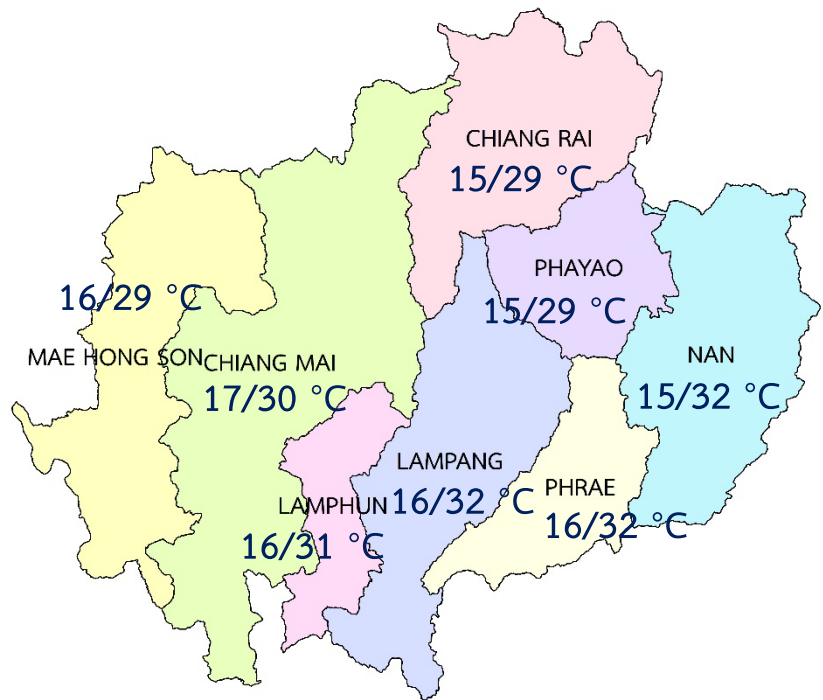

Forecast Time at 08.00 A.M.

## Upper North

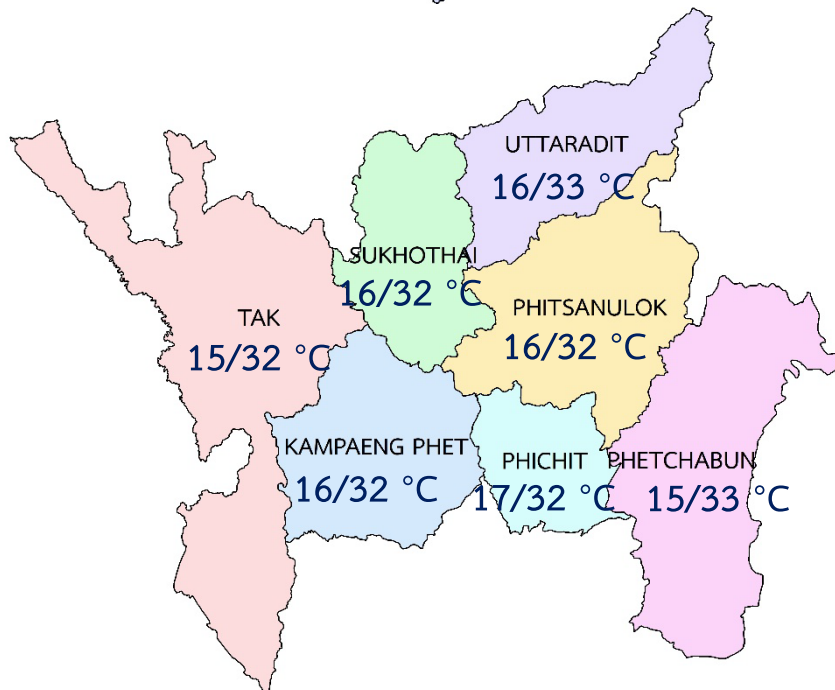

Cool to cold with fog in the morning.  
Minimum temperature 15-17 °C.  
Maximum temperature 29-32 °C.  
Cold to very cold on mountaintops, minimum temperature 5-10 °C. Northeasterly winds 10-20 km/hr.

## Lower North

Cool with fog in the morning. Minimum temperature 18-19 °C. Maximum temperature 32-33 °C. Cold on mountaintops, minimum temperature 8-13 °C. Northeasterly winds 10-20 km/hr.

## General Situation

The weak high-pressure system covers upper Thailand with a rise in temperature by 1-3 °C. Cool spells and morning fog with isolated thick patches are likely in the upper country. All transports should proceed with caution due to poor visibility.
